This is uncharted territory for us, so we appreciate your understanding and patience. We want to provide an environment where our customers and staff ARE safe and FEEL safe, so we will be following the reopening guidelines set forth by the state of Colorado, Jefferson County and the National Restaurant Association, and we appreciate your cooperation. Our business depends on it.

Here are some guidelines and information you should know before joining us for your wine and food experience:

Making a reservation:
Consider your food options below, decide which bottle of wine you would like to enjoy and be prepared to place your order at the time you make your reservation. Please call 303-674-5460 and we will get you in as close to your desired time as possible.

Checking in for a reservation:
Please check in at the host stand wearing your mask and we will seat you as soon as possible. The wait to be seated may be longer than usual as we ensure that your table is properly sanitized between parties. Thank you for your patience.

Dining on the patio:
Patio reservations are weather dependent. Due to social distancing and limited indoor seating, in the event of inclement weather WE DO NOT GUARANTEE A TABLE INSIDE. Please dress accordingly and be prepared if we need to wrap up your meal to-go if it rains. We appreciate your flexibility and understanding.

What we are asking of our guests:
Wear a mask! Masks are required except when eating and drinking. All guests must have a mask in their possession. Please wear your mask when moving throughout the restaurant or patio.
Need a mask? Just ask!
Please wait to be seated by a staff member.
Do not congregate outside the main entrance or inside in the bar area or at the host stand.
Guests are not to move tables or chairs from their original location.
Children must stay at their table-no wandering.
Single use menus will remain on your table until you have finished dining.
Please utilize the handwashing sinks in the bathroom and sanitizer stations throughout the restaurant.
You will have your table for 1.5 hours to ensure we have time to clean and sanitize before our next customers arrive.

What we are doing to ensure a safe dining environment:
All staff will wear masks or face shields
The staff is required to stay home if they are experiencing any symptoms or signs of sickness.
All tables must remain 6’ apart.
Cleaning and disinfecting bathrooms (all surfaces, doorknobs, light switches, etc.) will occur at least every 30 minutes.
Every time a guest/party departs, we will disinfect all surfaces – tables/chairs/etc. – before seating another party.
Due to an extremely limited staff and in navigating uncertain times, we are offering a limited menu. Please choose from the options below and place your order at the time you make your reservation.
